FACTS ABOUT OPPORTUNITIES

Thank you for considering sponsorship of the PULL, SHOOT & SERVE 3rd ANNUAL CLAY SHOOT fundraiser for Opportunities for Williamson & Burnet Counties.

There are several benefits to sponsoring this inaugural event.

Be involved with one of the most comprehensive service organizations in two counties. We serve your neighbors; individuals, from birth to retirement; families and communities with basic needs and life skills to help all achieve or maintain independence and live with dignity.

Our unique structure and single mission provides food, education, housing and utility assistance for the most vulnerable populations among us; the young, the old, those with low-income or who are ill or disabled.

Position your organization within our vast network of partners, donors, volunteers, clients, and social media outreach. We have been building relationships for 53 years, we have over 900 volunteers across Williamson and Burnet Counties and we visit or help hundreds of residents every day. We continually apply for grants and funding from myriad sources, most of whom value our existing partnerships as credibility and basis for success.

There are several ways to support this event:

- Donate money to cover costs of the event.
- Donate money for a specific part of the event; e.g., meal sponsor, print sponsor
- Donate products or services that will contribute to the event itself.
- Provide volunteer support at the event.
- Donate gifts or prizes to be awarded at the event.

Other ways you can help:

- Donate to one of our programs
- Match your employees' donations to our programs
- We welcome your suggestions or ideas
